

Call Out for Post and Department Stories

How is your Post, District or Department stepping up to help others and your community in this unfolding situation

Mar 30, 2020

COVID-19 is affecting the lives of every citizen in the world. In America, we know our veterans are #StillServing ... rising to meet the challenges of this uncertain time.

How is your Post, District or Department stepping up to help others and your community in this unfolding situation? Are you hosting a blood drive, doing buddy checks, acting as a drop-off location for food donations or something else to meet the needs of your membership and community?

We want to share your stories and inspire others across the country to take action.

Email [VFW Communications \(communications@vfw.org\)](mailto:communications@vfw.org) with what your Post, District or Department is doing to help. Please attach any photos you have of your efforts.
