Twisted X is a proud supporter of the Veterans of Foreign Wars with its exclusive VFW collection of footwear. When you purchase Twisted X boots and shoes through the VFW Store, a portion of your purchase supports veterans, military service members and their families.

Several styles of Twisted X men's boots are now available at the VFW Store.

The ultralite work boot is made with an oil- and slip-resistant rubber outsole. The footbed is constructed with recycled foam and recycled plastic bottles.

The western work boot is handcrafted with signature full-grain leathers. On the inside, comfort technology ensures that every step is backed with cloud-like comfort.

The tech X boot design provides heel comfort and reduces impact and fatigue.

A men's driving moccasin is also available. It's handcrafted in full-grain leather with a molded footbed.

Also available are women's boots, additional shoe styles and even a moccasin for children.

All are priced lower than the manufacturer's suggested retail price.
