

Still Time to Get Signed up for Printed Edition of VFW Magazine

If you want to continue receiving a printed version of all issues, VFW needs to hear from you

Sep 17, 2023

You have probably heard by now that VFW magazine will move to a fully digital publication by 2028. The transition begins in January 2024 when that issue will be digital only.

However, VFW understands that some will wish to continue receiving printed copies of the magazine. If you want to continue receiving a printed version of all issues, VFW needs to hear from you.

To continue receiving a printed copy of VFW in the mail, call VFW's Member Service Center at 1-833-839-8387 or write to: Member Service Center, VFW, 406 West 34th Street, Kansas City, MO 64111.

Beginning in January 2024, VFW will print and mail six issues of VFW magazine to all VFW members and subscribers. The other four issues of the magazine will be digital and available on VFW's website.

VFW wants to ensure that you receive all content we provide you as a VFW member. Benefits of our digital issues include videos, additional content not found in the print version, as well as direct links to important email addresses and advertisers.

To help you receive this additional content, VFW will send you an email notice that the digital issue is available. Obviously, we will need correct and updated email addresses for all our members.

To add an email address or update your current email address on file, log in to VFW's Online Membership System and do so or contact VFW's Member Service Center (see above).
