Urge Your Senators to Support the Blue Water Navy Bill Now Take Action!

Background: Congress is very close to passing H.R. 299, the Blue Water Navy Vietnam Veterans Act of 2018, which would end the injustice of denying Vietnam, Korean DMZ, and Thailand veterans who suffer from life-threatening health conditions the care and benefits they deserve.

Unfortunately, this important bill is now in jeopardy. Make sure your senators support its immediate passage and encourage their colleagues to do the same.

Take Action: Call your senators to demand support for immediate passage of H.R. 299. The Senate cannot continue to delay passage of this important bill while Blue Water Navy veterans sicken and die from diseases related to exposure to Agent Orange.
