

Action Alert: Tell Congress to Pass Blue Water Navy Legislation Now!

Do not stand by as veterans suffer

Jan 16, 2019

The VFW is urging its members and supporters to tell Congress to pass Blue Water Navy legislation now!

This past year, Congress failed to pass H.R. 299, the Blue Water Navy Vietnam Veterans Act, which would finally restore VA benefits to some 90,000 veterans exposed to Agent Orange.

Veterans who served in the offshore waters of Vietnam, during the Vietnam War, continue to be arbitrarily and unjustly denied benefits for illnesses associated with Agent Orange exposure.

Do not stand by as veterans suffer. Contact your members of Congress to demand they pass the Blue Water Navy Vietnam Veterans Act. Congress must not delay while Blue Water Navy veterans sicken and die from diseases related to exposure to Agent Orange.
