

Action Alert: Vote YES on Honoring Our PACT Act

Contact your representative and tell them to vote YES as soon as the Honoring our PACT Act is brought to the House floor

Feb 25, 2022

Background

The Honoring our PACT Act is a comprehensive solution to provide access to VA health care and benefits to toxic-exposed veterans. This historic legislation would help millions of veterans by establishing a permanent presumptive framework to address any toxic exposure, foreign or domestic, past, present, and future.

It would provide VA health care access for all veterans exposed to hazards, create a concession of exposure for airborne toxins, and establish a list of presumptive conditions associated with burn pits and other exposures. This legislation would help Post-9/11 veterans, K2 veterans, Atomic veterans, and Vietnam veterans, including those who served in Thailand, Cambodia, and Laos.

We urge the House to pass the Honoring our PACT Act as soon as it is brought to the floor.
