

VFW Statement on Comedian Kathy Griffin

'What she did was not humorous'

May 31, 2017

WASHINGTON — “The Veterans of Foreign Wars of the U.S. strongly condemns comedian Kathy Griffin's incredibly revolting attack on the President of the United States. Her apology is not accepted. What she did was not humorous nor should it be protected speech or expression. Playing to an audience with a severed head is what our enemies do. The USO should immediately end its relationship with her.” — VFW National Commander Brian Duffy
